## **Kerning**

The process of adjusting the space between individual letters.

Typography

This word has not been kerned. The letters are loose, separated from each other.

Typography

This word has been kerned so that the letters fit snugly and consistently together without being overly tight.

---

## **Kerning Pairs**

These pairs of letters typically need kerning adjustments.

AT	AY	AV	AW	LT	LY	PA	TA	VA	WA	YA
At	Ay	Av	Aw	Ly	Lv	P.	To	Va	Wa	Ya
							Tr			Yo
at	ay	av	aw	ra	ov		T.			Y.

---

## **Letter spacing**

Adding or decreasing the same amount of space between all the letters. Letter spacing is applied to a range of text using range kerning or tracking.

All I want is a proper cup of coffee, made in a proper copper coffee pot, I may be off my dot, but I want a proper coffee in a proper copper pot. Iron coffee pots and tin coffee pots, they are no use to me, if I can't have a proper cup of coffee, then, I'll have a proper cup of tea.
