

## Letter/Number Contrast

Using the numbers "4", "7" and the letter "S" (no quotation marks), create three different combinations using a variety of contrasts. You can use either uppercase and lowercase for the letter. The exercise can be in black & white with grayscale.

Format: 3 – 3" squares horizontally on an 8.5" x 11" page.

Contrast considerations:

- Scale*
- Weight*
- Width*
- Serif*
- Space*
- Figure-Ground*
- Value*
